

JUGRNAUT 5L WATER COOLER

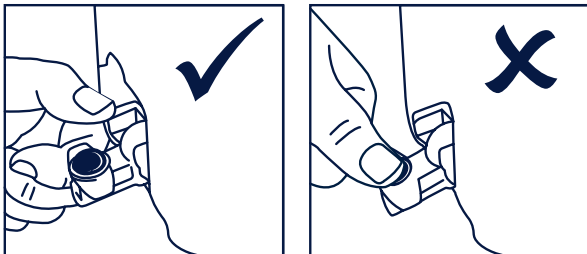

APPLICATIONS • Worksites • Mining • General Industry

FEATURES & BENEFITS

- High density plastic construction
- Fully insulated body for optimal temperature retention
- Stable wide bottom base resists tipping
- Large comfort carry handle
- Removable drinking cup
- BPA Free

INSTRUCTIONS FOR USE

Press down with the thumb whilst simultaneously supporting the spout wing. This equalises the pressure on the tap assembly and will avoid leaking that may occur when applying force directly on the push button only.
